1. Introduction

The software is used for field technical statistics of handball games. The assistant coaches can make systematic analysis and evaluation on the whole team and individual through the recording of various events during the match and the establishment of detailed technical statistics. Plug in the USB dog when use the software.

2. Create a new match

Open the software and enter the "HANDBALL STATS". Click "New" button to create a new match and fill in the info of the match.

Click the icon  to enter the "Season Configure" to redefine the rules of the match.

Parameters:

Player Numbers: Period Numbers:

Period Length: Extratime Period Length:

When used with meet management server, check the “Online Mode” in the season configure, and fill in the IP address of the server (the default address is 192.168.0.180), and click “Synchronize” button. The software will automatically synchronize all the teams, players and session info with the meet management server.

The screenshot shows the "Season Configure..." dialog box. At the top, there are fields for "Season Name" (containing "New Season") and "Rule" (set to "Standard"). Below these, the "Online Mode" checkbox is checked, and the server IP address "http://192.168.0.180" is entered in the text field next to it. The "Synchronize" button is highlighted with a red box. The dialog is divided into two main sections: "Teams" and "Players". The "Teams" section has a large empty list box and buttons for "Add Team" and "Remove Team". The "Players" section has a "Team Detail" area with fields for "Team Name", "Nick Name", "Leader", "Coach", and "Memo", and a "Player Detail" area with fields for "Number", "Name", "Starting Player" (with a checkbox), and "Memo". There are also "Add Player" and "Remove Player" buttons. At the bottom right, there are "OK" and "Cancel" buttons.

It is also possible to add the match info manually. Just click " Add Team" button to add a new team. And fill in the detailed info of the team and set up team logo.

The screenshot shows a 'Season Configure...' dialog box with the following elements:

- Season Name: Rule:
- Online Mode
- Teams section:
 - New Team** (highlighted with a red rectangle)
 - (highlighted with a red rectangle)
 -
- Team Detail section:
 - Team Name: Nick Name:
 - Leader: Coach:
 - Memo:
- Players section:
 -
 -
- Player Detail section:
 - Number:
 - Name:
 - Starting Player:
 - Memo:
- Buttons:

Click "Add Player" button to add a new player and then fill in the info of the player. After all info has been filled in, click "OK" button and return to "FOOTBALL STATS" page.
